Training as a

Certified PMU Dermapigmentologist

Swiss Professional Association for Permanent Make-up
Bernstrasse-West 64 | 5034 Suhr | Tel. +41 079 859 86 05
info@permanentmakeup-verband.ch | www.permanentmakeup-verband.ch

Objective

The title of certified PMU-dermapigmentologist is the hallmark of quality in the permanent make-up industry. It demonstrates proficiency in both theoretical and practical knowledge. The qualification enables the professional creation of permanent designs under hygienic conditions using micro-pigmentation techniques.

Title
Certified Dermapigmentologist
with a personalised digital seal of quality

1. Registration

The training programme is reserved exclusively for members of the association.

Registration is valid for 2 years until the examination and is binding.

Registration fee CHF 200.00.

This fee is forfeited in the event of withdrawal or postponement.

2. Course materials (handbook)

Guide CHF 200.00

The study guide will be handed out on the first day of the course. No copies of the guide may be made or distributed. Failure to comply will result in legal action being taken.

3. Entry requirements

Candidates who meet the following admission criteria will be admitted to the examination:

- Minimum age 18 years
- At least 9 days of basic and further training.
- A 2-day preparatory course
- Proof of 2 years' professional experience in the field of PMU
- Basic knowledge of anatomy, skin physiology and make-up artist training
- Regular professional practice in a professionally equipped salon or practice.
- Completion of the compulsory hygiene and first-aid course within the last 2 years.

Important:
All supporting documents (copies) relating to the various training programmes and courses required for the examination, as well as a copy of an official identity document, must be enclosed with the application.

4. 2-day preparatory course

CHF 1'600.00

The course is run by our training institutes on behalf of the association. Only this preparatory course is valid for the examination.

5. Examination fee

CHF 1'490.00 (including diploma)

6. Retake of the examination

See appendix

Examination venue in Switzerland:
Suhr

International examination centres:
Angerberg and Munich

Registration
The number of participants is limited

Please register using the form below
no later than 2 months before the examination date.

If you cancel up to 60 days before the course starts, 30 per cent of the course fee will be charged. If you cancel 30 days or less before the course starts, the full preparatory course fee is due.
A one-off change of booking to a different preparatory course date is possible, provided this is notified in writing at least 30 days before the originally booked preparatory course date.

Complete the registration form on the homepage (course registrations).

Please send the documents listed under course registration separately to:
(Copies of basic and further training certificates | most recent job-specific hygiene course, no more than 2 years old | copy of passport)

Email: info@permanentmakeup-verband.ch

Subject: Registration as a Certified DERMAPIGMENTOLOGIST, your name and the examination date.

1. Registration

Once your registration has been received, the following documents are required to verify your qualifications:

1. Copies of certificates for basic and further training
2. Proof of completion of the most recent profession-specific hygiene course, not more than 2 years old
3. A copy of your passport

The experts will grant approval for the examination.

Registration fee CHF 200.00
This fee is forfeited in the event of withdrawal or postponement.
Registration is valid for 2 years until the examination and is binding.

Once the preparatory course has been completed, a separate registration for the examination is required.

Register directly via the link on our website.

https://www.permanentmakeup-verband.ch/en/kursanmeldungen/certified-dermapigmentologist

2. Study materials (guide)

The study guide is used as the basis for the preparatory course and the examination. Without intensive study of the guide, it will be difficult to pass the written examination. All examination questions can be found in the study materials. You will receive the study materials on the first day of the course. The study guide is the property of the association. No copies of the materials may be made or distributed. The association reserves the right to file a criminal complaint in the event of any breach.

Personalised handbook: CHF 200.00

			Total 11
Hygiene and accident prevention No more than 2 years old First-aid course No more than 2 years old		• Accident prevention • Hygiene: premises, laundry, staff • Face masks, gloves • Disinfection in the practice: Theory – viruses, fungi, bacteria and their transmission • Disinfectants • Sterilisation Safety of the client and the practitioner • Job-specific first-aid course	1

TOTAL: at least 12 DAYS

4. 2-day preparatory course

The preparatory course for the examination covers dermatology and make-up artistry in depth and is equivalent to the module of the same name.
In addition, the exact procedure for the practical examination is covered.

Course content

DAY 1

- Theoretical fundamentals based on the guide
- Teaching of basic dermatological knowledge in the following areas:
  - Anatomy
  - Physiology
  - Pathophysiology of the human skin

DAY 2
Simulation of the practical examination using models. Participants carry out all three treatments independently, whilst receiving ongoing tips and advice.

CHF 1‘600.00

Our certified training centres in Angerberg, Munich and Suhr offer the preparatory course on behalf of the Swiss Professional Association for Permanent Make-up – delivering expert and practical training.

You can find **the course dates** on our website.

Register directly at https://www.permanentmakeup-verband.ch/en/kursanmeldungen/certified-dermapigmentologist

5. Examination fee

The examination venue will be confirmed once the examination date has been set.

CHF 1‘490.00 (including diploma and personalised digital logo)

Once you have completed the preparatory course, you must register separately for the exam.

6. Examination fee for resits

The examination venue is determined at the same time as the examination date.

Date / Options	Written exam costs	Practical examination Cost ½ day – full day
with the next exam	CHF 390.00	CHF 550.00 – CHF 900.00

A maximum of three attempts may be made within a two-year period. Once this period has expired, the qualification can no longer be obtained.

We wish you every success as you prepare for the second-highest qualification in our industry: **the certified and accredited dermapigmentologist – the hallmark of quality!**
