Certified Medical Dermapigmentologist

Swiss Professional Association for Permanent Make-up | Bernstrasse-West 64 | 5034 Suhr | Tel. +41 079 859 86 05
info@permanentmakeup-verband.ch | www.permanentmakeup-verband.ch

Professional Association for Permanent Make-up

Objective

The examination to become a certified medical dermapigmentologist is regarded as the highest mark of quality in the PMU industry. It confirms in-depth theoretical and practical specialist knowledge, as well as the ability to carry out permanent markings on the areola and scars professionally and in accordance with the highest hygiene standards using micropigmentation. A sound grounding in dermatology and psychological empathy are equally essential.

Title
Certified Medical
Dermapigmentologist

Subject: REGISTRATION FOR MED DERMAPIGMENTOLOGISTS, your name and date of the preparatory course

1. Registration

Once your registration has been received, the following documents are required to verify your qualifications:

- Copies of certificates for basic and further training
- Most recent profession-specific hygiene course, no more than 2 years old
- Copy of passport
- Submission of 3 treatment cases, for example 2 areola treatments and 1 scar treatment, or 2 scar treatments and 1 areola treatment

Contents: Procedure, documentation of the entire treatment, before-and-after photographs of the treatment, video of the treatment rooms, photograph of the work surface. Use of materials. Consent form and aftercare instructions.

The experts will review the submitted documents and grant approval for the preliminary course. Should the documents be incomplete, the association will inform you in writing of the missing items upon your first submission. After the second submission of your documents, an additional processing fee of CHF 50.— will be payable.

Registration fee CHF 250.00

This amount is forfeited in the event of withdrawal or postponement.
Registration is valid for 2 years until the examination and is binding.

Register directly via the link on our website.

https://www.permanentmakeup-verband.ch/de/kursanmeldungen

2. Paramedical teaching materials (guide)

The invoice for the guide will be sent to you together with the registration fee.

Guide CHF 200.00

The guide is used as the basis for the preparatory course and the examination. Without intensive study of the Medical Dermapigmentologist guide, it will be difficult to pass the written examination. All examination questions can be found in the course materials. You will receive the course materials on the first day of the training. The guide is the property of the Association. No copies of the materials may be made or distributed. The Association reserves the right to file a criminal complaint in the event of any breach.

Register directly via the link on our website
