## 1. Registration

Once your registration has been received, the following documents are required to verify your qualifications:

- Copies of basic and advanced training certificates
- Last job-specific hygiene course, no older than 2 years
- Copy of passport

Submission of 3 treatments. Contents: Procedure, documentation of the entire treatment, before and after **pictures** of the treatment, video of the work rooms, photo of the work surface. Use of materials. Declaration of consent and care procedure.

The experts will review the submitted documents and grant approval for the examination. If the documents are not complete when first submitted, the association will inform you in writing of what is missing. After the second submission of your documents, an additional processing fee of CHF 50 will be charged.

Registrations can be made directly via the link on our homepage.
