

Annual Programme 2026

Confirmed details of the annual programme

All ARENA video conferences and hygiene courses are free of charge for our members.

Following each session, there will be an opportunity for discussion. Please gather your questions in advance – we'll be happy to discuss them together after the sessions.

Registration:

Registration for all events takes place via our website – in the relevant language:

DE | FR | ENG

 Register

Access to the meetings:

You will receive the access link for the ARENA meetings by email two days before the event.

Important information:

- No late registrations will be accepted after the registration deadline.
- No recordings of the video conferences will be made.
- On request, we can provide live translation into French* or English*. *Minimum of 3 people requiring the same language.
Please contact us by email at least one week before the conference if you require this service.

Yours

PMU Executive Committee
